O R D E R

On October 12, 1984, the Commission entered an Order granting the Estill County Water District No. 1 ("Estill") a certificate of public convenience and necessity for a waterworks improvement project. This Order also approved the financing for this project and established a new rate schedule for customers of Estill.

On January 29, 1985, Estill filed construction plans for the extension of lines to serve an additional 59 customers and requested approval of this project. Supplemental information concerning this construction was filed on March 4, 1985. Estill filed revised construction

plans and supplemental information on March 25, 1985. Supplemental information concerning this construction was filed on March 28, 1985.

SUMMARY

The Commission, after considering all supplemental information and being advised, is of the opinion and finds that:

1. Public convenience and necessity require that the construction proposed in the supplemental information be performed and that a certificate of public convenience and necessity be granted.

2. The financing for the supplemental work was approved by the Commission's Order entered October 12, 1984.

3. The Commission's Order entered October 12, 1984, should be affirmed in all other respects.

IT IS THEREFORE ORDERED that Estill County be and it hereby is granted a certificate of public convenience and necessity to proceed with the construction as set forth in the supplemental information.

IT IS FURTHER ORDERED that the Commission's Order entered October 12, 1984, be and it hereby is affirmed in all other respects.

Done at Frankfort, Kentucky, this 15th day of April, 1985.
